Hi Al,

My name is John Owolabi, and I am the founder of *Saturn Star Movers*, a fast-growing, fully insured moving company serving the **London** area. Al, I am reaching out to you personally because **Tetra-Chem Industries Ltd.** is exactly the kind of company we would be proud to build a long-term relationship with.

Companies like **Tetra-Chem Industries Ltd.** deal with moving situations throughout the year: a manager relocates, a new hire moves into the area, an office gets rearranged, or furniture needs to shift between locations. Right now, someone on your team is handling that scramble. I want to take it off their plate, and off yours.

Here is what the partnership includes for **Tetra-Chem Industries Ltd.**:

- A **dedicated staff discount** on all local and long-distance moves
- **Full-service support**: packing, transport, unloading, and everything between
- A **Personal Moving Concierge**: one dedicated contact from start to finish
- **Priority scheduling** and on-time pickup and delivery, guaranteed
- **Licensed and fully insured**: your people and their belongings are protected

Here is what I am proposing for **Tetra-Chem Industries Ltd.**, at no cost to the company: a preferred-rate partnership where your employees receive a dedicated discount on any local or long-distance move, priority scheduling, and a direct line to me personally. Your team pays less. Your company pays nothing. And Al, you get to offer your people something genuinely useful.

I would love a quick 10-minute call with you, Al. You can reach me directly at **226-724-1730** or shoot me an email at **john@starmovers.ca** — either way, I will make it easy on your end.

Warm regards,

John Owolabi
