Hi Rick,

My name is John Owolabi, founder of *Saturn Star Movers*, a fully insured moving company serving the **Kitchener-Waterloo** area. Rick, I am reaching out because operations teams at companies like **Cooper-Standard Automotive** are often the first to feel the pain when a moving need comes up with no reliable contact in place.

For plant and operations teams at **Cooper-Standard Automotive**, it comes up more than you would expect: internal equipment moves, facility rearrangements, employee relocations, overflow labour when the team is stretched, or last-minute support that falls outside normal operations. Instead of scrambling, I want your team to already have a number to call.

Here is what the partnership includes for **Cooper-Standard Automotive**:

- A **dedicated staff discount** on all local and long-distance moves
- **Full-service support**: packing, transport, unloading, and everything between
- A **Personal Moving Concierge**: one dedicated contact from start to finish
- **Priority scheduling** and on-time pickup and delivery, guaranteed
- **Licensed and fully insured**: your people and their belongings are protected

We recently supported a large manufacturing and engineering group in the **Kitchener** area with a full facility move, so we understand the level of coordination and care that industrial companies expect. We are actively building more partnerships like that across **Kitchener-Waterloo, Cambridge, and Guelph**.

Here is what I am proposing for **Cooper-Standard Automotive**, at no cost to the company: a preferred-rate partnership where your employees receive a dedicated discount on any local or long-distance move, priority scheduling, and a direct line to me personally. Your team pays less. Your company pays nothing. And Rick, you get to offer your people something genuinely useful.

I would love a quick 10-minute call with you, Rick. You can reach me directly at **226-724-1730** or shoot me an email at john@starmovers.ca — either way, I will make it easy on your end.

Warm regards,

John Owolabi
