Hi Mr./Ms. Robertson,

My name is John Owolabi, and I'm the founder of *Saturn Star Movers* — a fast-growing, fully insured moving company serving the Kitchener-Waterloo area and surrounding areas. I'm reaching out personally because I've been building relationships with established companies in the area, and **B&L; Metal Products (Elmira) Ltd** stood out as exactly the kind of operation we'd be proud to support.

Companies like **B&L; Metal Products (Elmira) Ltd** regularly deal with moving situations that fall outside normal operations — a manager relocating, a new hire moving into the area, an office being rearranged, or furniture shifted between locations. Right now, someone on your team is probably handling that scramble. We'd like to take it off their plate.

Here's what the partnership includes, at **no cost to your company**:

- A **dedicated discount** on all local and long-distance moves
- **Full-service support** — packing, transport, unloading, and everything between
- A **Personal Moving Concierge** — one dedicated contact from start to finish
- **Priority scheduling** and on-time pickup & delivery, guaranteed
- **Licensed & fully insured** — your team and belongings are always protected

We recently supported a large manufacturing and engineering group in the Kitchener area with a facility/location move — so we understand the coordination and care that industrial companies expect. We'd love to build more relationships like that across the Kitchener-Waterloo, Cambridge, and Guelph corridor.

I'd love to set up a simple preferred-rate partnership with **B&L; Metal Products (Elmira) Ltd** — no commitment required. Your employees get a dedicated discount on any local or long-distance move, priority scheduling, and a direct line to me personally. The company pays nothing. It's purely a benefit for your people.

Would you be open to a quick 10-minute call this week or next? You can reach me directly at **226-724-1730** — or simply reply and I'll make it easy on your end.

Warm regards,

John Owolabi
