Re: Preferred Moving Support for Scot Industries Inc. — Staff & Facility Moves

Hi Robert,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Kitchener-Waterloo and surrounding area, and I wanted to personally reach out to introduce our company to Scot Industries Inc..

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like Scot Industries Inc., moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

We recently supported a large manufacturing and engineering group in the Kitchener area with a facility/location move, and we'd love to build more relationships with companies in the Kitchener-Waterloo, Cambridge, and Guelph corridor that may need reliable moving support from time to time.

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Scot Industries Inc. whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?
