Re: Preferred Moving Support for Plasman - Global Headquarters — Staff & Facility Moves

Hi Paul,

My name is John, from Saturn Star Movers — a fully insured local moving company serving Windsor-Essex. I wanted to reach out because we work closely with operations and facilities teams at manufacturing and industrial companies in the area.

For operations teams at manufacturing and industrial companies, moving needs tend to come up more often than expected — internal furniture or equipment moves, facility rearrangements, overflow labour when your team is stretched, storage moves, or last-minute support outside normal operations. Instead of scrambling to find reliable help, we'd like to be the local contact Plasman - Global Headquarters can call when any of those situations arise.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Plasman - Global Headquarters whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Warm regards,

Saturn Star Movers

Hi Tim,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Windsor-Essex, and I wanted to personally reach out to introduce our company to Plasman - Global Headquarters.

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like Plasman - Global Headquarters, moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

Re: Preferred Moving Support for Atlas Tube — Staff & Facility Moves

Hi Thomas,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Windsor-Essex, and I wanted to personally reach out to introduce our company to Atlas Tube.

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like Atlas Tube, moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Atlas Tube whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Warm regards,

John Owolabi

Re: Preferred Moving Support for Barry Callebaut Canada — Staff & Facility Moves

Hi Marc,

My name is John, from Saturn Star Movers — a fully insured local moving company serving Chatham-Kent. I wanted to reach out because we work closely with operations and facilities teams at manufacturing and industrial companies in the area.

For operations teams at manufacturing and industrial companies, moving needs tend to come up more often than expected — internal furniture or equipment moves, facility rearrangements, overflow labour when your team is stretched, storage moves, or last-minute support outside normal operations. Instead of scrambling to find reliable help, we'd like to be the local contact Barry Callebaut Canada can call when any of those situations arise.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Barry Callebaut Canada whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Re: Preferred Moving Support for Neudorf Stamping Corporation — Staff & Facility Moves

Hi Jake,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Windsor-Essex, and I wanted to personally reach out to introduce our company to Neudorf Stamping Corporation.

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like Neudorf Stamping Corporation, moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Neudorf Stamping Corporation whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Hi Mike,

My name is John, from Saturn Star Movers — a fully insured local moving company serving Chatham-Kent. I wanted to reach out because we work closely with operations and facilities teams at manufacturing and industrial companies in the area.

For operations teams at manufacturing and industrial companies, moving needs tend to come up more often than expected — internal furniture or equipment moves, facility rearrangements, overflow labour when your team is stretched, storage moves, or last-minute support outside normal operations. Instead of scrambling to find reliable help, we'd like to be the local contact Amino North America Corporation can call when any of those situations arise.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

Instead of scrambling to find reliable help, we'd like to be the local contact Tigercat Industries Inc. can call when any of those situations arise.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

We recently supported a large manufacturing and engineering group in the Kitchener area with a facility/location move, and we'd love to build more relationships with companies in the Kitchener-Waterloo, Cambridge, and Guelph corridor that may need reliable moving support from time to time.

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Tigercat Industries Inc. whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Re: Preferred Moving Support for VeriForm Inc. — Staff & Facility Moves

Hi Paul,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Kitchener-Waterloo and surrounding area, and I wanted to personally reach out to introduce our company to VeriForm Inc..

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like VeriForm Inc., moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves

Re: Preferred Moving Support for Tetra-Chem Industries Ltd. — Staff & Facility Moves

Hi Al,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving London, and I wanted to personally reach out to introduce our company to Tetra-Chem Industries Ltd..

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like Tetra-Chem Industries Ltd., moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Tetra-Chem Industries Ltd. whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Warm regards,

Saturn Star Movers

Re: Preferred Moving Support for Canarm AgSystems — Staff & Facility Moves

Hi Chris,

My name is John, from Saturn Star Movers — a fully insured local moving company serving Kitchener-Waterloo and surrounding area. I wanted to reach out because we work closely with operations and facilities teams at manufacturing and industrial companies in the area.

For operations teams at manufacturing and industrial companies, moving needs tend to come up more often than expected — internal furniture or equipment moves, facility rearrangements, overflow labour when your team is stretched, storage moves, or last-minute support outside normal operations. Instead of scrambling to find reliable help, we'd like to be the local contact Canarm AgSystems can call when any of those situations arise.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Canarm AgSystems whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Hi Jesse,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Kitchener-Waterloo and surrounding area, and I wanted to personally reach out to introduce our company to Shear Metal Products.

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like Shear Metal Products, moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

We recently supported a large manufacturing and engineering group in the Kitchener area with a facility/location move, and we'd love to build more relationships with companies in the Kitchener-Waterloo, Cambridge, and Guelph corridor that may need reliable moving support from time to time.

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Shear Metal Products whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Re: Preferred Moving Support for Tenneco Automotive — Staff & Facility Moves

Hi Camelia,

My name is John, from Saturn Star Movers — a fully insured local moving company serving Kitchener-Waterloo and surrounding area. I wanted to reach out because we work closely with operations and facilities teams at manufacturing and industrial companies in the area.

For operations teams at manufacturing and industrial companies, moving needs tend to come up more often than expected — internal furniture or equipment moves, facility rearrangements, overflow labour when your team is stretched, storage moves, or last-minute support outside normal operations. Instead of scrambling to find reliable help, we'd like to be the local contact Tenneco Automotive can call when any of those situations arise.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

Re: Preferred Moving Support for Listowel Technology Inc. — Staff & Facility Moves

Hi Chris,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Kitchener-Waterloo and surrounding area, and I wanted to personally reach out to introduce our company to Listowel Technology Inc..

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like Listowel Technology Inc., moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Listowel Technology Inc. whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Warm regards,

Saturn Star Movers

Hi Roger,

My name is John, from Saturn Star Movers — a fully insured local moving company serving Woodstock-Brantford corridor. I wanted to reach out because we work closely with operations and facilities teams at manufacturing and industrial companies in the area.

For operations teams at manufacturing and industrial companies, moving needs tend to come up more often than expected — internal furniture or equipment moves, facility rearrangements, overflow labour when your team is stretched, storage moves, or last-minute support outside normal operations. Instead of scrambling to find reliable help, we'd like to be the local contact Carmeuse Lime Canada (Beachville Ops) can call when any of those situations arise.

We can help your company and team with:

Re: Preferred Moving Support for PTOOLING Inc. — Staff & Facility Moves

Hi Marv,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Windsor-Essex, and I wanted to personally reach out to introduce our company to PTOOLING Inc..

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like PTOOLING Inc., moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for PTOOLING Inc. whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Warm regards,

John Owolabi

Re: Preferred Moving Support for Cole's Metal Fabricating Ltd. — Staff & Facility Moves

Hi Steve,

My name is John, from Saturn Star Movers — a fully insured local moving company serving Windsor-Essex. I wanted to reach out because we work closely with operations and facilities teams at manufacturing and industrial companies in the area.

For operations teams at manufacturing and industrial companies, moving needs tend to come up more often than expected — internal furniture or equipment moves, facility rearrangements, overflow labour when your team is stretched, storage moves, or last-minute support outside normal operations. Instead of scrambling to find reliable help, we'd like to be the local contact Cole's Metal Fabricating Ltd. can call when any of those situations arise.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Cole's Metal Fabricating Ltd. whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Re: Preferred Moving Support for Hunter Steel — Staff & Facility Moves

Hi Todd,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Woodstock-Brantford corridor, and I wanted to personally reach out to introduce our company to Hunter Steel.

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like Hunter Steel, moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

We recently supported a large manufacturing and engineering group in the Kitchener area with a facility/location move, and we'd love to build more relationships with companies in the Kitchener-Waterloo, Cambridge, and Guelph corridor that may need reliable moving support from time to time.

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Hunter Steel whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Hi Russ,

My name is John, from Saturn Star Movers — a fully insured local moving company serving Kitchener-Waterloo and surrounding area. I wanted to reach out because we work closely with operations and facilities teams at manufacturing and industrial companies in the area.

For operations teams at manufacturing and industrial companies, moving needs tend to come up more often than expected — internal furniture or equipment moves, facility rearrangements, overflow labour when your team is stretched, storage moves, or last-minute support outside normal operations. Instead of scrambling to find reliable help, we'd like to be the local contact Horst Welding Plant 1 can call when any of those situations arise.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Horst Welding Plant 1 whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Warm regards,

Re: Preferred Moving Support for Yatton Enterprises — Staff & Facility Moves

Hi Jonathan,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Kitchener-Waterloo and surrounding area, and I wanted to personally reach out to introduce our company to Yatton Enterprises.

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like Yatton Enterprises, moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

We recently supported a large manufacturing and engineering group in the Kitchener area with a facility/location move, and we'd love to build more relationships with companies in the Kitchener-Waterloo, Cambridge, and Guelph corridor that may need reliable moving support from time to time.

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Yatton Enterprises whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

We recently supported a large manufacturing and engineering group in the Kitchener area with a facility/location move, and we'd love to build more relationships with companies in the Kitchener-Waterloo, Cambridge, and Guelph corridor that may need reliable moving support from time to time.

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Tenneco Automotive whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Re: Preferred Moving Support for B&L; Metal Products (Elmira) Ltd — Staff & Facility Moves

Hi Steve,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Kitchener-Waterloo and surrounding area, and I wanted to personally reach out to introduce our company to B&L; Metal Products (Elmira) Ltd.

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like B&L; Metal Products (Elmira) Ltd, moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

Hi Tom,

My name is John, from Saturn Star Movers — a fully insured local moving company serving Chatham-Kent. I wanted to reach out because we work closely with operations and facilities teams at manufacturing and industrial companies in the area.

For operations teams at manufacturing and industrial companies, moving needs tend to come up more often than expected — internal furniture or equipment moves, facility rearrangements, overflow labour when your team is stretched, storage moves, or last-minute support outside normal operations. Instead of scrambling to find reliable help, we'd like to be the local contact Promax Manufacturing can call when any of those situations arise.

We can help your company and team with:

Hi Norm,

My name is John, from Saturn Star Movers — a fully insured local moving company serving Woodstock-Brantford corridor. I wanted to reach out because we work closely with operations and facilities teams at manufacturing and industrial companies in the area.

For operations teams at manufacturing and industrial companies, moving needs tend to come up more often than expected — internal furniture or equipment moves, facility rearrangements, overflow labour when your team is stretched, storage moves, or last-minute support outside normal operations. Instead of scrambling to find reliable help, we'd like to be the local contact ZF Automotive can call when any of those situations arise.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

We recently supported a large manufacturing and engineering group in the Kitchener area with a facility/location move, and we'd love to build more relationships with companies in the Kitchener-Waterloo, Cambridge, and Guelph corridor that may need reliable moving support from time to time.

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for ZF Automotive whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Re: Preferred Moving Support for Lamers Silos Ltd — Staff & Facility Moves

Hi Chris,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Woodstock-Brantford corridor, and I wanted to personally reach out to introduce our company to Lamers Silos Ltd.

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like Lamers Silos Ltd, moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Lamers Silos Ltd whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Re: Preferred Moving Support for Schaeffler — Staff & Facility Moves

Hi Kent,

My name is John, from Saturn Star Movers — a fully insured local moving company serving Kitchener-Waterloo and surrounding area. I wanted to reach out because we work closely with operations and facilities teams at manufacturing and industrial companies in the area.

For operations teams at manufacturing and industrial companies, moving needs tend to come up more often than expected — internal furniture or equipment moves, facility rearrangements, overflow labour when your team is stretched, storage moves, or last-minute support outside normal operations. Instead of scrambling to find reliable help, we'd like to be the local contact Schaeffler can call when any of those situations arise.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Schaeffler whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?

Warm regards,

Re: Preferred Moving Support for Grote Electronics — Staff & Facility Moves

Hi Jeff,

My name is John, owner of Saturn Star Movers. We're a fully insured local moving company serving Kitchener-Waterloo and surrounding area, and I wanted to personally reach out to introduce our company to Grote Electronics.

We're looking to build long-term relationships with established companies in the area that may occasionally need reliable moving support — whether for staff relocations, office moves, internal facility moves, storage moves, or employee discount programs. For a company like Grote Electronics, moving needs usually show up in different ways: a manager relocates, a new hire moves into the area, an office gets rearranged, or a last-minute move comes up and someone needs a reliable local contact.

We can help your company and team with:

- Employee relocations
- Office and facility moves
- Internal furniture or equipment moves
- Storage-related moves
- Last-minute moving labour
- Preferred moving discounts for staff

We recently supported a large manufacturing and engineering group in the Kitchener area with a facility/location move, and we'd love to build more relationships with companies in the Kitchener-Waterloo, Cambridge, and Guelph corridor that may need reliable moving support from time to time.

There's no commitment required from your end. We'd simply like to become a trusted local moving contact for Grote Electronics whenever a need comes up. We can also set up a preferred-rate program for your employees as an added benefit — at no cost to the company.

Would you be open to a quick 10-minute introduction call this week or next?
